2 Years Later Coachella is Finally Happening!

What is Coachella?

Coachella is one of the most popular music festivals which happens nearly every year. Because of todays conditions, the pandemic, coachella couldn't take its place in 2020 and 2021, but recently the news came out saying that this year, in 2022 Coachella will meet with its fans.

What will happen in this year's Coachella?

This year's coachella will take place on 15-17th and 22-24th April in the USA, California. And it was announced that the lead singers in Coachella 2022 will be Harry Styles, Billie Eilish and Ye. The Coachella fans are really excited that Coachella is coming back. The excitment can be seen from what the fans say, "We are so excited for this year, the singers are amazing and we are sure that the crowd will be amazing."
